Compliant to the CA PROP 65 Act, our electronic assemblies do not contain any of the substances of concern as described by the subject legislation. A listing of these substances can be found online at the link: <https://oehha.ca.gov/proposition-65/proposition-65-list>

Compliance is based on statements or declarations given by manufacturers & suppliers of parts used in these assemblies.

Note that for CA Proposition 65, this statement is based on production sourcing at the time of this writing. It can take time (~months) for the components sourced at this moment to make their way to a complete assembly provided to an end user.
